

Campbellford Baptist Church Communion Service

Sunday, June 7th, 2020 @ 9:45 am

The Lord willing we will have our 2nd Drive-In service in our church parking lot this coming Sunday, June 7th, weather permitting, of course. If it is raining, don't attend. If it is not raining, we'll enjoy our time of worship together. Incidentally, the morning message will still be pre-recorded and available on-line on Sunday mornings.

Because, traditionally, we also celebrate communion on the first Sunday of the month, we will also participate in a communion service on June 7th, the Lord willing.

Each person attending, should you wish to participate, will have two options as follows:

1) You may bring with you your own supply of grape juice and bread, wafer or gluten free bread, OR

2) On your entrance to the parking lot off of Grand Road, a pre-filled cup of juice, including a soft wafer, will be available for you to pick-up. These elements have been individually pre-packaged; one seal over the unleavened wafer, a second seal over the juice.

Reminder to all who attend:

Please enter ONLY through the Grand Road parking lot. Stop at the parking attendant. Follow parking instructions given by parking attendant.

Remain in your car at all times. One family household per vehicle. If there is an emergency or you need to leave early, please drive away slowly the way you came in. Our time together should be approximately 45 minutes.

Two-meter distancing between vehicles.

The Church building will be off-limits.

There will be a drive-by offering box where you can put your offering envelope.

Blessings to everyone, looking forward to seeing each of you.

Pam (for Pastor Lionel and the Deacons)
